2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. 9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

the Company shall assume appropriate responsibility for such Work and shall bear the costs attributable to
correction.

9. **Limitation on Liability, Release, and Indemnification.**
   a) The Company hereby releases the Archdiocese from any claim or liability for damages that the Company may have
arising out of the Contract Documents for property damage, injury or death.
   b) The Company will hold the Archdiocese harmless and indemnify the Archdiocese, its parishes, ministries, agents,
officers, members, and employees from and against any and all claims, actions or causes of action and for any and
all damages, liabilities, claims, penalties, expenses and costs, including, but not limited to, attorney’s and other
professional fees, arising out of the Contract Documents or the performance of the services described or referred to
in the Contract Documents, specifically including, without limitation, the Work, but only to the extent caused by the
negligent or intentional acts or omissions of the Company, or anyone directly or indirectly employed by them or
anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused
in part by a party indemnified hereunder. Such obligation will not be construed to negate, abridge, or reduce other
rights or obligations of indemnity which would otherwise exist as to a party or person.
   c) Company shall assume all risks and responsibilities for losses of every description in connection with the service
that can be attributed either directly or indirectly to the Company.
   d) Any approval or payment by the Archdiocese shall not constitute, nor be deemed a release of the responsibility and
liability of the Company, its employees, subcontractors, agents and consultants for the Work; nor shall such approval
or payment be deemed to be an assumption of such responsibility by the Archdiocese for any defect, error or
omission in the Work performed by the Company, its employees, subcontractors, agents and consultants.
   e) All indemnification and release provisions in favor of the Archdiocese shall survive the expiration or sooner
termination of the Contract Documents.

10. **Enforcement.** The Company agrees to pay to the Archdiocese all costs and expenses including reasonable attorney's
fees incurred by the Archdiocese in exercising any of its rights or remedies in connection with the enforcement of the
Contract Documents.

11. **Status of Company as Independent Contractor.** It is expressly agreed that Company's status hereunder is that of an
independent contractor and that Company is not an agent, employee, servant, partner, or joint venturer of the
Archdiocese. Company is exclusively responsible for and in control of the Company’s employees and agents, and
performance of Company’s duties hereunder. Neither Company nor any person hired by Company shall be considered
employees of the Archdiocese for any purpose.

12. **Subcontractual Relations.**

   a) Company will not subcontract work or services under the Contract Documents without the prior written consent of
   the Archdiocese, and any such subcontract without consent of the Archdiocese shall be null and void.

   b) If Company proposes to subcontract any of the work or services under the Contract Documents, the Company will
   submit to the Archdiocese the name of each proposed Subcontractor along with the proposed scope of work which
   its Subcontractor is to undertake. The Archdiocese has the right to reject access to or use of any Subcontractor
   which the Archdiocese considers unable or unsuitable to satisfactorily perform its duties.

   c) Company agrees it shall be as fully responsible to the Archdiocese for any act or omission of the Company’s
   Subcontractors, their agents, representatives, and persons either directly or indirectly employed by them as it is for
   the acts and omissions of persons directly employed by Company. Neither this provision, the Archdiocese’s
   authorization of Company’s agreement with Subcontractor, the Archdiocese’s inspection of a Subcontractor’s
   facilities or work, or any other action taken by the Archdiocese in relation to a Subcontractor shall create any
   contractual relationship between any Subcontractor and the Archdiocese.

   d) By appropriate agreement, written where legally required for validity, the Company shall require each
   Subcontractor, to the extent of the Work to be performed by the Subcontractor, to be bound to the Company by
   terms of the Contract Documents, and to assume toward the Company all the obligations and responsibilities,
   including the responsibility for safety of the Subcontractor’s Work, which the Company, by these Documents,
   assumes toward the Archdiocese. Each subcontract agreement shall preserve and protect the rights of the
   Archdiocese with respect to the Work to be performed by the Subcontractor so that subcontracting thereof will not
   prejudice such rights. Where appropriate, the Company shall require each Subcontractor to enter into similar
   agreements with Subsubcontractors. The Company shall make available to each proposed Subcontractor, prior to
   the execution of the subcontract agreement, copies of the Contract Documents to which the Subcontractor will be
   bound, and upon written request of the Subcontractor, identify to the Subcontractor terms and conditions of the
   proposed subcontract agreement which may be at variance with the Contract Documents.

13. **Contingent Assignment of Subcontracts.** Each subcontract agreement for a portion of the Work is assigned by the
    Company to the Archdiocese provided that: (a) assignment is effective only after termination of the Contract Documents
    by the City for cause and only for those subcontract agreements which the Archdiocese accepts by notifying the
    Subcontractor and Company in writing; and, (b) assignment is subject to the prior rights of the surety, if any, obligated
    under bond relating to the Contract Documents.

14. **Limitations on Assignment of the Contract Documents.** Company will not assign or transfer any interest in the
    Contract Documents without the prior written consent of the City, and any attempt to do any of the foregoing without
    such prior written consent shall be null, void, and of no effect. Any assignment or transfer of any interest in the Contract
    Documents will be subject to compliance with the provisions of the Contract Documents and will not alleviate any of
    Company’s obligations in the Contract Documents.

15. **Termination by the Archdiocese for Cause.**

   a) If the Company persistently disregards laws, ordinances, or rules, regulations or orders of a public authority having
   jurisdiction; or is guilty of any other material breach of a provision of the Contract Documents, the Archdiocese
   may, without prejudice to any other rights or remedies of the Archdiocese, provide written notice of termination of
   the Contract Documents and subsequently terminate the Contract Documents seven (7) days after said written notice
   and may accept assignment of subcontracts as provided herein; or finish the Work by whatever reasonable method
   the Archdiocese may deem expedient. Upon request of the Company, the Archdiocese shall furnish to the Company
   a detailed accounting of the costs incurred by the Archdiocese in finishing the Work.

   b) When the City terminates the Contract Documents for one of the reasons stated in the preceding paragraph, the
   Company shall not be entitled to receive further payment until the Work is completed.

   c) If the unpaid balance of the Contract Sum exceeds costs of finishing the Work, and other damages incurred by the
   Archdiocese which have not been expressly waived, such excess shall be paid to the Company as set forth in the
   Agreement. If such costs and damages exceed the unpaid balance, the Company shall pay the difference to the
   Archdiocese. This obligation of payment to the Company or the Archdiocese, as the case may be, shall survive
   termination of the Contract Documents.
16. **Suspension by the Archdiocese for Convenience.** The Archdiocese may, without cause, order the Company in writing to suspend, delay or interrupt the Work in whole or in part for such period of time as the Archdiocese may determine.

17. **Termination by the City for Non-A appropriation.** The Company hereto agrees that payments due from the Archdiocese, as required under the terms of the Contract Documents, if any, are contingent upon the availability of appropriated funds. In the case of non-appropriation of funds, the Archdiocese may terminate the Contract Documents in whole or in part without further obligation to the Company.

18. **Termination by the Archdioceses for Convenience.**
   a) The Archdiocese may, at any time, terminate the Contract Documents for the Archdiocese’s convenience and without cause.
   b) Upon receipt of written notice from the Archdiocese of such termination for the Archdiocese’s convenience, the Company shall:
      i) cease operations as directed by the Archdiocese in the notice;
      ii) take actions necessary, or that the Archdiocese may direct, for the protection and preservation of the Work; and
      iii) except for Work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.
   c) In case of such termination for the Archdiocese’s convenience, the Company shall be entitled to receive payment for documented Work already executed, and costs incurred, at the time of receiving the written notice.

19. **Obligations Upon Expiration or Earlier Termination.**
   a) Upon the expiration or earlier termination of this Agreement, the Company shall promptly:
      i) Upon request by the Archdiocese, deliver to the Archdiocese or such other person as the Archdiocese shall designate all materials, supplies, equipment, keys, contracts and documents, all books of account and records maintained pursuant to the Contract Documents, pertaining to this Agreement.
      ii) Deliver to the Archdiocese, in a reasonably organized form without restriction on future use, reproducible original plans, field surveys, maps, cross sections and other data, designs and instruments of service related to the Work.
      iii) Cooperate in providing all information, should the Archdiocese subsequently contract with a new company for continuation of the Work.
      iv) Furnish all such information, take all such other action, and cooperate with the Archdiocese as the Archdiocese shall reasonably require to effectuate an orderly and systematic termination of the Work and the Company’s services, duties, obligations and activities hereunder.
      v) Furnish a report of all outstanding orders for services, materials and supplies ordered by the Company as a result of its obligations arising under this Agreement at the time of expiration or termination. Such report shall include the status of payment for such services, including whether they have been charged to or paid by the Company. Such report shall be furnished no later than thirty (30) Calendar Days after the date of expiration or termination.

20. **Insurance.** The Company shall, at its sole cost and expense, procure and maintain in full force and effect covering the performance of the services rendered under the Contract Documents, insurance in the types and limits specified below. In addition to the insurance coverage and limits listed herein, the Company shall obtain all other insurance coverage as may be required by law.
   a) **Required Coverage Limits**
      i) Comprehensive or Commercial General Liability and Third Party Property Damage – $1,000,000 per occurrence, $2,000,000 aggregate
      ii) Excess Liability – $2,000,000 per occurrence, $2,000,000 aggregate
      iii) Comprehensive or Business Automobile Liability; Personal Injury (including bodily Injury) and Third Party Property Damage – $500,000 per occurrence
      iv) Workers Compensation – Statutory Limits
v) Employer’s Liability – $500,000 per accident

vi) Professional Errors and Omissions Insurance - $1,000,000 per occurrence, $1,000,000 aggregate

b) Additional Insurance Provisions:

i) The Archdiocese, its parishes, ministries, officers, officials, employees, agents, and volunteers shall be added as “additional insureds,” as their interests may appear. This provision does not apply to Professional Liability or Workers’ Compensation/Employers' Liability.

ii) The successful Respondent’s insurance shall be primary over any applicable insurance or self-insurance maintained by the Archdiocese.

iii) The successful Respondent shall provide 30 days written notice to the Archdiocese before any cancellation, suspension, or void of coverage in whole or part.

iv) All coverage for subcontractors of the successful Respondent shall be subject to all of the requirements stated herein.

v) All deductibles or self-insured retention amounts shall appear on the certificate(s) and shall be subject to approval by the Archdiocese. At the option of the Archdiocese, either (1) the insurer shall reduce or eliminate such deductible or self-insured retention, or (2) the successful Respondent shall be required to procure a bond guaranteeing payment of losses and related claims expenses.

vi) Failure to comply with any reporting provisions of the policy(s) shall not affect coverage provided the Archdiocese, its officers, officials, agents, employees, and volunteers.

vii) The insurer shall agree to waive all rights of subrogation against the Archdiocese, its officers, officials, agents, employees, or volunteers for any act, omission, or condition of premises for which the parties may be held liable by reason of negligence or otherwise.

viii) The successful Respondent shall furnish the Archdiocese certificates of insurance including endorsements affecting coverage. The certificates are to be signed by a person authorized by the insurance company to bind coverage on its behalf - if executed by a broker, notarized copy of authorization to bind, or certify coverage must be attached.

ix) All insurance shall be placed with insurers who are lawfully authorized to do business in the state of Alabama, and who maintain an A.M. Best rating of no less than an A: VII. If A.M. Best rating is less than A: VII, approval must be received from the Archdiocese.

c) All insurance provided for in this section shall be obtained under valid and enforceable policies issued by insurers of recognized responsibility which are licensed to do business in the State of Alabama. The Archdiocese requires that Certificates of Insurance evidencing the existence of such insurance shall be submitted to the Archdiocese at least ten (10) days before the Work is started. If the term of the Agreement coincides with the term of the selected firm's insurance coverage, a Certificate from the expiring policy will be accepted, but a Certificate evidencing renewed coverage of a new policy must be presented to the Archdiocese no later than thirty (30) days after the effective date of the policy.

d) If the Company fails to obtain or maintain the required insurance, the Archdiocese shall have the right to treat such failure as a material breach of the Contract Documents and to exercise all appropriate rights and remedies as a result thereof.

e) The Company shall furnish separate Certificates for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated in the Contract Documents.

f) It is the intent of the specifications of insurance requirements above that the Company shall maintain in force the broadest commonly available coverage against the risks and perils listed above. If insurance against the listed risks and perils is commonly available, the failure to specify such insurance shall not relieve the Company from its duty to maintain such insurance. Also, the specification of any insurance in the Contract Documents does not limit any of the other obligations of the Company under those documents.

21. No Waiver of Breach. No failure by either the Archdiocese or Company to insist upon the strict performance by the other of any covenant, agreement, term or condition of the Contract Documents, or to exercise any right or remedy consequent upon a breach of any covenant, agreement, term or condition of the Contract Documents, shall constitute a waiver of any such breach or of such covenant, agreement, term or condition. No waiver of any breach shall affect or alter the Contract Documents, but each and every covenant, condition, agreement and term of the Contract Documents shall continue in full force and effect with respect to any other then existing or subsequent breach.
22. **Waivers and Amendments to the Contract Documents.** No modification, waiver, amendment, discharge or change of the Contract Documents will be valid unless the same is in writing and signed by the party against which the enforcement of such modification, waiver, amendment, discharge or change is or may be sought.

23. **Mediation.**

   a) If the parties are unable to resolve any claims between them, the parties shall endeavor to resolve their claims by mediation which, unless the parties mutually agree otherwise, shall be in accordance with the Commercial Mediation Rules of the American Arbitration Association currently in effect. Request for mediation shall be filed in writing with the other party.

   b) The parties shall share the mediator’s fee and any filing fees equally. The mediation shall be held in Mobile, Alabama unless another location is mutually agreed upon in writing. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

   c) The Company shall carry on the Work during all claims, disputes or disagreements with the Archdiocese. No Work shall be delayed or postponed by the Company pending resolution of any claims, disputes or disagreements, except as authorized, in writing, by the Archdiocese.

24. **Notice to Company and the Archdiocese.** Unless otherwise specifically provided in the Contract Documents or by law, any and all notices or other communications required or permitted by the Contract Documents or by law to be served on, given to, or delivered to any party to the Contract Documents will be in writing and will be deemed duly served, given, delivered and received when personally delivered (including confirmed overnight delivery service to the party to whom it is directed), or without personal delivery, when three (3) business days have elapsed following deposit of the notice or other communication in the United States mail, first-class postage prepaid, certified, return receipt requested, and:

25. Either party may change its address for the purpose of this paragraph by giving written notice of such change to the other party in the manner provided in this paragraph.

26. **Unavoidable Delay - Force Majeure.** If either party shall be delayed or prevented from the performance of any act required by the Contract Documents by reason of acts of God, strikes, lockouts, labor troubles, inability to procure materials, restrictive governmental laws, or regulations or other similar cause, without fault and beyond the reasonable control of the party obligated (financial inability excepted), performance of such act, only, will be excused for the period of the delay; and the period for the performance of any such act, only, will be extended for a period equivalent to the period of such delay; provided, however, nothing in this Section will excuse Company from the prompt payment of any fee or other charge required of Company except as may be expressly provided elsewhere in the Contract Documents; and, provided further that any party claiming the application of this Section immediately resumes performance as soon as the cause claimed under this Section ends.

27. **Compensation General Terms and Conditions.**

   a) Company’s travel, meals, lodging, parking or other expenses incidental to the performance of responsibilities under the Contract Documents shall be borne solely by the Company.

   b) The Archdiocese will not make payment on behalf of the Company to any fringe benefit program, or withhold any money from compensation for any federal, state or local tax program or for any other reason, all of such obligations belonging exclusively to the Company.

28. **Severability of Terms of the Contract Documents.** In the event any portion of the Contract Documents is declared invalid or unenforceable by any entity of competent jurisdiction, the remaining portions of the Contract Documents are and shall be deemed separable and shall remain in full force and effect.

29. **Captions.** Captions in the Contract Documents are inserted for convenience of reference only and do not define, describe or limit the scope or the intent of the Contract Documents or any of the terms of the Contract Documents.
30. **Applicable Law of the Contract Documents.** If legal action is necessary by either party with respect to the enforcement of any or all of the terms or conditions herein, exclusive venue for same shall lie in Mobile, Alabama. The Contract Documents shall be governed by and construed at all times in accordance with the laws and court decisions of the State of Alabama, without regard to conflict of law principles.
