Archbishop Thomas J. Rodi statement on Supreme Court's decision to overturn Roe v. Wade

MOBILE, Ala. – Archbishop Thomas J. Rodi released the below statement regarding the Supreme Court's decision to overturn Roe v. Wade on June 24.

"I welcome the Supreme Court's decision to overturn Roe v. Wade, which from the beginning was objectionable for both Constitutional and moral reasons. However, this is not the end of our efforts to call our country back to a respect for life. This issue now returns to the Democratic process in state legislatures. We need to increase our efforts to share with others that the preborn baby is a human being so that our laws may reflect this. In calling our country back to a respect for life, we also need to do what we can to support mothers and their children."
